This imaginative musical is full of vibrant colors, funky tunes, as well as hilarious and lovable characters. CIT: COUNSELOR-IN-TRAINING

Ages 14–15

Teens who are 14–15 when camp starts are welcome to apply for acceptance into our Counselor-In-Training program. Counselors-In-Training will get hands-on experience caring for children and learn real-life lessons about early childhood development. In addition, they will gain invaluable experience as responsible, value-added employees—skills that will transfer to any and all future employment. Personal mentoring and CIT-only group meetings provide the opportunity for individual feedback on areas of strength and growth. Responsibilities are adjusted throughout the summer to align with proven abilities and interests and to ensure that each CIT gets the maximum learning and growth out of his or her experience at Lowell Summer Programs. This is an excellent path to possible employment as a Junior Counselor in future years. There is a minimum commitment of one full three-week session; a six-week commitment is preferred. Interested students should call the camp office (202.577.2006) for an application.

Refund Policy

All deposits are non-refundable. However, the \$150 session deposit will be credited toward tuition. Withdrawals must be made before April 1, 2014 in order to receive a refund of 50% of total tuition (less the deposit). Partial refunds will not be granted after April 1, 2014 for any reason. Absences, for any reason, will not be considered for refund.

Under-enrolled Courses

Lowell reserves the right to cancel under-enrolled programs at any time. Every effort will be made to make appropriate substitutions.

Clothing

Please put your child's name clearly on all clothing, equipment, and other belongings. It is important to send children in clothing and shoes appropriate for the activities.

Swimming

All campers have access to our four-lane indoor pool. Group lessons are given daily for campers in Pre-Primary through 2nd grade. Free swim will be offered as a choice for 3rd–6th grade campers. Campers are grouped by skill level. Non-swimmers are introduced to the pool through enjoyable water activities. More advanced campers are challenged to learn swimming strokes and water safety skills. Our highly qualified, year-round aquatics lifeguards and swim instructors manage our summer swim program.

Health and Immunization Verification

D.C. Health and Immunization forms are required by law and must be on file for each camper by May 1, 2014. Current forms are accepted if dated after August 8, 2013. A physician must sign the form.

After Care

The extended day program is available to all campers until 6 p.m. each day. The 3-week contract includes a discount for care; however, the program may also be used on a drop-in basis. The contract cost will not be refunded for non-use. Campers enjoy a nutritious snack and range of quiet to more vigorous indoor and outdoor activities and games.

Lunch and Snack

LOWELL STRIVES TO MAINTAIN A NUT-FREE SCHOOL. Full-day campers bring their own lunches in sturdy lunchboxes labeled with their names. Snack is provided for all Pre-Primary campers. All other campers bring their own snacks packed separately from lunches. Candy, gum, and sodas are forbidden and, if sent, will be confiscated. Refrigeration and microwave capability are not available. Each camper also brings a filled (chilled if desired) water bottle each day.

Hot Lunch

Armand's Pizza offers a hot lunch option on Mondays and Thursdays. Parents will receive a link to view a menu, and place orders online. Armand's handles online orders and payment. Orders are recorded and given to Lowell staff the morning of delivery.

Transportation

To ease on-campus traffic congestion at afternoon pick-up, we offer limited bus transportation to an off-site pick-up location in the parking lot of Rock Creek Shopping Center at 8317 Grubb Road in Chevy Chase. Rock Creek Shopping Center is less than a mile from Lowell School, but offers congestion-free pick-up for parents. This service is available for our Best Buddies campers and older campers. On campus drop-off and pick-up instructions will be included in the camp information packet.

Field Trips

Field trips are under the supervision of the Summer Programs staff. When you complete the field trip section on the application form, you are granting permission for your child to participate. Children are transported in a school bus. In general, field trips are not planned for campers younger than 3rd grade.

General Conduct

Lowell School Summer Programs reserves the right to dismiss, without refund, any camper for inappropriate or unsafe conduct.

Photography Permission

Lowell reserves the right to use photographs and videos taken during summer programs in our brochures and advertisements, on our website, and on official Lowell School social media sites.
